Upon signing and returning this Expedited Settlement to EPA, Respondent waives the opportunity for a hearing or appeal pursuant to Section 311 of the Act, and consents to EPA's approval of the Expedited Settlement without further notice.

The EPA finds the Respondent's conduct is subject to the discharge prohibition of Section 311(b)(3) of the Act, as described in that statute and further described by 40 C.F.R. § 110.3. The Respondent admits being subject to Section 311(b)(3) and that EPA has jurisdiction over the Respondent and the Respondent's conduct as described in the Form. INSTRUCTIONS ON REVERSE

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
REGION VII, 901 N. 5TH STREET, KANSAS CITY, KANSAS, 66101
OIL SPILL EXPEDITED SETTLEMENT AGREEMENT

INSTRUCTIONS

The United States Environmental Protection Agency (EPA) has authority under Section 311 of the Clean Water Act to pursue civil penalties for oil spill violations. However, EPA encourages the expedited settlement of oil spill violations such as the violations cited in the Expedited Settlement Agreement for which these instructions are provided.

You may resolve the cited violations quickly by signing and returning the original Expedited Settlement Agreement and paying the penalty amount within 30 days of your receipt of the Expedited Settlement Agreement. EPA, at its discretion, may grant one 30-day extension for cause upon request. The Expedited Settlement Agreement is binding on EPA and the respondent. Upon signing and returning of the Expedited Settlement Agreement, a copy of which should be retained by you, EPA will take no further action against you for these violations: EPA will not accept or approve any Expedited Settlement Agreement returned more than 30 days after the date of your receipt of the settlement agreement unless an extension has been granted by EPA.

If you do not sign and return the Expedited Settlement Agreement with payment of the penalty amount within 30 days of receipt, the Expedited Settlement Agreement will be automatically withdrawn, without prejudice to EPA's ability to file an enforcement action for the above or any other violations. Failure to return the Expedited Settlement Agreement within the approved time does not relieve you of the responsibility to comply fully with the regulations, including correcting the violations that have been specifically identified in the "FINDINGS AND ALLEGED VIOLATIONS." If you decide not to sign and return the Expedited Settlement Agreement and pay the penalty EPA can pursue more conventional enforcement measures and seek penalties of up to \$11,000 per violation, up to a maximum penalty of \$27,500.

You are required in the Expedited Settlement Agreement to certify that you have corrected the violations and paid the penalty amount. The payment for the penalty amount must be in the form of a certified check payable to the "Oil Spill Liability Trust Fund" with the Docket Number referenced on the check, "CWA-07-....," as seen in the right hand corner of the Settlement Agreement.

A copy of the Settlement Agreement and certified check should be sent to:

Robert Webber
Enforcement Coordinator, ARTD/STOP
U.S. Environmental Protection Agency
901 N. 5th Street
Kansas City, Kansas 66101

Payment of the penalty amount and Settlement Agreement should be sent sent via certified mail to:

Kathy M. Robinson
Regional Hearing Clerk
U.S. Environmental Protection Agency
901 N. 5th Street
Kansas City, KS 66101

By the terms of the Expedited Settlement Agreement, you waive your opportunity for a hearing pursuant to Section 311 of the Clean Water Act. EPA will treat any response to the proposed Expedited Settlement Agreement, other than acceptance of the settlement offer, as an indication that the recipient is not interested in pursuing this expedited settlement procedure.

If you have any questions, you may contact EPA Region 7 at (913) 551-7125.
